

## Demolition Permit Procedure

- ❑ Verify asbestos inspection completed and letter to proceed from Utah Division of Air Quality (**Exception to rule:** Demolition of residential outbuildings of less than 100 sq. ft. by an individual contracted to do demolition **or** demolition by a home owner doing **his own demolition** on **his own residential property** and **not hiring** others to do demolition [Air Quality Rule 307- 801])
- ❑ Verify company doing demolition is correctly licensed by State to do work.
- ❑ Letter defining disposal site and route through City to disposal site.
- ❑ Letter defining precautions for pedestrian safety.
- ❑ Letter defining dust control measures.
- ❑ Date to begin demolition.
- ❑ Copy of Questar Service Kill (SK) Permit. [Obtained at 1-800-323-5517]
- ❑ Work order to terminate sanitary sewer service and plugging of line.
- ❑ Work order to terminate culinary water service, fee to disconnect at corp stop, and street cut permit or statement to leave active for future use.
- ❑ Work order to terminate electrical service drop.
- ❑ Issue demolition permit.

## Asbestos

### General Asbestos Information

Asbestos is a name given to a group of minerals that occur naturally as masses of long silky fibers. Asbestos is known for its unique properties of being resistant to abrasion, inert to acid and alkaline solutions, and stable at high temperatures. Because of these attributes, asbestos was widely used in construction and industry. Asbestos fibers are woven together or incorporated within other materials to create many products.

## Certified Asbestos Companies for 2008

as of 1/31/08 – Certification expires 12/31/08

**DISCLAIMER:** The Utah Department of Environmental Quality/Division of Air Quality (UDEQ/DAQ) is providing this list as a courtesy and makes no claims to the quality of work performed by the companies listed herein. UDEQ/DAQ requires that Utah certified asbestos companies use Utah certified individuals in the appropriate asbestos discipline. If you have any questions about this list or the certification status of individuals, please contact Ann Rosser by telephone at 801-536-4424, by e-mail at arosser@utah.gov, or by mail at UDEQ/DAQ, P.O. Box 144820, Salt Lake City, Utah 84114-4820.

This permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not, the granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction and that I make this statement under penalty of perjury.
